Consumption and Liver Complaint! As a general remedy for these diseases, I am fully satisfied, from long experience, there is no medicine equal to Dr. Taylor's Balsam of Liverwort. Being purely vegetable, it can be used with the utmost safety by all persons in every condition. It cleanses the lungs by expectoration, relieves difficult breathing, and seems to heal the chest. There can be no question, but A. P. ROGERS, M. D.

"The surprising effects produced by Dr. Taylor's Balsam of Liverwort, in consumptive cases, can not fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons evidently consumptive, restored to health. Yet this is a fact of daily occurrence; how then can we hope physicians will make trial of this medieine and report its effect to us."
